

A Disease Worse Than Ebola

Mark 10.32-45

One of Mark's underlying themes throughout his book is that of following Jesus. As Jesus heads toward Jerusalem, to give his life as a ransom for many, he is turning the world's values and power-systems on their heads. The disciples hear Jesus' words, but they are marching to a different tune. Mark helps us to see the sin within us and how in tune we are with the world's standards. But if we want to receive what Jesus has to offer, we have no choice but to follow him, and refrain from acting like the rest of the world.
