

HOW MUCH ALLEGIANCE DO I OWE?

Matthew 22:15-22

Rev. George Fletcher

In our passage in Matthew 22, the Pharisees are trying to trick Jesus into saying something that will be self-condemning. Jesus answers a question that seemingly has no safe or simple answer. And in so doing, Jesus teaches us about the relationship of church and state. He also tells us something about the 4th of July — that is, our freedom and independence. What belongs to Caesar? What belongs to God?
