

**A MESSAGE OF GOOD NEWS**  
***Romans 10:8b-17***

During the season of Advent, we anticipate a great gift coming our way. That gift is the Christ-child, the Baby Jesus coming into the world. Jesus Christ is God's Good News to each of us at Christmas, and always.

The message of good news was prophesied in the Old Testament; it was part of the angel's message the night Jesus was born; it was Paul's message in our Scripture passage in Romans 10.

There are some questions we need to ask about this good news we receive at Christmas.

1. What if there was no Good News?

2. Is there a bad side to the Good News?

3. Why would the Good News never be shared?
