

A FRAMEWORK FOR CHANGING THE WORLD*Ephesians 6.1-9, Philemon*

Paul continues his advice for relationships within the faith, giving direction to fathers and children, masters and slaves. Paul could not have imagined a world without slavery, but he did provide a framework for changing the status quo based on Kingdom-style living. We can use these same principles to help guide us on controversial issues so that our viewpoints align more with God's intention.

A Framework for Changing the World1. Allow room for **HUMILITY**

I pray that your partnership with us in the faith may be effective in deepening your understanding of every good thing we share for the sake of Christ.

Philemon 6

2. Be guided by **LOVE**

...yet I prefer to appeal to you on the basis of love.

Philemon 9

3. Uphold **COMMUNITY** over **INDIVIDUALISM**

*...your **partnership** with us in the faith...*

Philemon 6

On which issue might God desire you to change your viewpoint?

.....
What is God saying to me?

What am I going to do about it?

Love God, Love Others, Learn Jesus, DO SOMETHING!
